

Child's Name _____

FIELD TRIP GUIDELINES

Please read and initial the following to indicate that you understand and agree to all guidelines.

	Initials
I give consent for my child to be transported and supervised by The Children's Ark employees for field trips.	
I understand a Children's Ark t-shirt is required attire on every field trip or your child will NOT be allowed to go on the trip. Each child will be given a t-shirt at registration. If you wish to purchase additional shirts, they are available for \$10 each.	
I understand campers should be at the center 15 minutes prior to scheduled departure. If a child is not here by the scheduled departure time, that child will be left at the center. <u>No exceptions.</u>	
I understand sunscreen must be applied prior to arriving at the school. The Children's Ark will supply sunscreen for reapplication through the day. If parents wish to provide specific sunscreen, bottle must be labeled with child's name and left at The Ark front desk. Parents must sign the Permission to Apply Waiver (provided as separate form).	
I am aware that notices about things needed for field trips will be posted on the check-in counter and on classroom doors. (I.e. hats, swimsuit, towels, etc.)	
I understand the caterer provides sack lunches for field trips, but parents can provide extra snacks if desired.	
I understand flip flops are not allowed except on swimming field trips.	
I understand that bringing electronic games and other items from home to the Ark is NOT allowed. Phones are NOT allowed. Phones entering the building must be turned off and put away. The Children's Ark cannot be held responsible for any lost, stolen, or damaged items.	
I understand inappropriate behavior in the classroom may result in a child's exclusion from a field trip. We use a "3 Strikes You're Out" policy. After 3 infractions in the classroom or on a field trip, a child will not be allowed to go on the next field trip. After a child misses 3 field trips for disciplinary action, child must stay home on the next field trip day. The Program Director and/or Executive Director will make all decisions regarding excluding a child from a field trip. Parents will receive notice of the offense, either the day before the field trip, or notified by phone if the decision is made the day of or while on a field trip.	

FIELD TRIP ACKNOWLEDGEMENT

I have read and understand the above statements. I agree to abide by all field trip policies and procedures of The Children's Ark as outlined in this agreement.
